

Access Rules, Dear Customers

- Please wear your mask when you are entering the restaurant and do not take it off until you have taken a seat. In addition to this, please wear your mask when you are going to the toilet or to smoke. The use of the mask is mandatory inside the Baires Restaurant, even when you are not consuming. When you are not using the mask, do not leave it on the table.

-Sanitize your hands / gloves as soon as you're going into the Baires Restaurant using the gel provided; the dispenser is located at the entrance. And especially before and after using the toilet.

-Keep the recommended distance at least 1,5 meters from other people when you are inside Baires including going to the restrooms or going to the smoking area.

-Avoid gathering at the cashier desk, instead ask and pay for the bill from your table. Please avoid gathering in the bathroom, unnecessary movements within the restaurant rooms. Please ensure the supervision of accompanied minors and avoid crossing with or approaching other people.

-If you have a temperature above 99.5 °F/ 37.5° C, we kindly ask you not to go inside the restaurant, go home and consult your doctor.

Baires reserve the right to measure your temperature and may deny access in the event that you have a temperature of 37.5°C/99.5°F or above.

COMMON SENSE:

Customers are encouraged to adopt rigorous behaviours at the table. In general, when you are in the restaurant; please respect the rules listed above.
